Subject: Soil Site Description at G-7

Pete,

Dugout Canyon Mine commits to do the following associated with the soils at G-7 Degas Well site:

Select a location for a soil test pit
Photograph the location of soil test pit
Photograph the soils within the test pit
Complete NRCS-SOI-232C form for the soils in the test pit
Make a hand sketch of the site showing the location of the test pit, brief description of vegetation, slope and site features such as large boulders, road, etc.
Provide credentials for individual completing the tasks listed above.

This information will be submitted for incorporation into Attachment 2-1 of the Degas Well Amendment Binders.

These tasks will be completed as soon as possible. Vicky
